

Kindermusik® for the young child

for the 5-7 year old child

Come with us to take a week-long trip around the world with Kindermusik! This 2 hour class includes an hour of music and an hour of art. Every day we will focus on a different culture with its rich music and customs. Your child will be learning geography, music, art, and social studies all in a fun, developmentally appropriate environment. We will do games and stories, as well as music activities that will stimulate their learning in a unique way.

What parents are saying about Kindermusik with Alicia Hernon...

“Because of her class Monica is excited about music because she is learning to play music, not just sing. Though she loves the songs too and sings them 1,000 times a day!”

-Maria, mother of Young Child student

“I was skeptical about how much a 1 ½ year old could get out of a class. I was so amazed how much she learned... I truly believe this class has been a factor in Christina’s wonderful adjustment as a adoptive child and in helping with her verbal skills. Thanks!”

-Anne, mother of Our Time student

“I have attended three different Kindermusik classes before Alicia’s and she’s the best!”

-Lisa, mother of Imagine That! student

“Lucy is singing songs now, reciting nursery rhymes and the Cookies! book from memory...very beneficial for her! And she is learning to be part of a group, sitting for Storytime, etc. Thank you!”

-Sara, mother of Our Time student

for the 18 month old to 3 year old child

Kindermusik Our Time encourages your child to be creative, to initiate their own ideas and to respond in their own ways, while your active participation gives them the security they need. As you play instruments, sing, move, and explore, you'll uncover an engaging musical world while building your child's confidence, self-control and communications skills.

for the 3-18 month old child

In a Kindermusik Village class, we take those special bonding moments between you and your baby and add in a unique blend of musical learning activities that stimulate and engage all of the senses. Your educator will teach you how to encourage your baby's learning through vocal play, object exploration, instruments, and creative movement.
